Photo Tour through Vietnam's Scenery

Visit three non touristic places and take the best shots with the assistance of the professional photographer and tour guide Thierry Beyne shooting photos of Vietnam since 15 years.

To catch the wonderful morning light of the sunrise we start at 05:30 am by car and take picnic boxes for breakfast with us. After leaving Nha Trang behind us, the first hot-spot is the “Luong Son” fishing village with a nice fishing harbor overlooking the Vietnamese sea. After that we head for the midst of the countryside, Doc Let village – a very sole and old village with beautiful French style houses from the colonist time. The third spot is weather and season depending. We either stopover at the sea salt marsh or at a small authentic Pagoda with an extraordinary architecture.

Tips: Take your camera with you and do not hesitate to ask the driver to stop, if you see any nice spot for a picture. Do not wear revealing clothes to respect local culture.

Vietnamese Relaxation

Soaking in mud, enjoying high pressure rain showers, bath in water from a hot spring and an artificial waterfall from the springs are excellent for improving your physical and spiritual health. The treatments are well known – for providing powerful rejuvenation and their ability to smooth the complexion of your skin. The mud gently cleanses, removes dead cells, leaves a relaxing feeling and minerals help to mollify stress and relive aches and pains.

Take a glance at ancient brick architecture of the Cham people and do not miss a visit to the traditional Vietnamese coffee shop before returning to the resort to enrich the feeling of rejuvenation with the cultural inspiration.

Tips: take a swimming suit that you won't regret about. The ingredients of the natural mud are andalusite, disthene, kyanite, cyanite (SiO₂, Al₂O₃), Iron (Fe), manganese (Mn).

Into SCUBA DIVING

The Evason Ana Mandara Resort is delighted to announce its onsite diving operation, the Dive Shop. The team runs a PADI authorized resort Dive Centre in a partnership which has seen the fruition of the best collaboration of instructing talent available in Nha Trang. The Dive Shop team, carefully hand-picked, has combined their wide variety of experience to create a first class operation suited to the needs of every diver, from the absolute beginner to the most advanced and experienced, including children. The team is committed to providing only the highest quality of dive instruction. The multi-national hosts ensure everyone has the opportunity to enjoy this fascinating and addictive sport.

Diving Conditions

Protected by the islands in the open sea, diving within the bay area is calm and relaxing, with visibility of between 15-30 meters from March to November. The Dive Shop is open year-round; however, the best conditions are from mid March until the end of November. The rainy season sets in for November and December and because of its unpredictability, diving is not always possible.

Most dives are usually between 12-16 meters; Hon Mun, Hon Rom, Hon Cau, Hon Tre and Hon Vung offer the opportunity

to explore 20 different and interesting dive sites. Nha Trang Bay is one of the major coral centres of the world with 398 out of 800 species of hard and soft corals to be found here. Great visibility and an inviting water temperature averaging 24-30 °C throughout the year, adds to the pleasure of diving in Nha Trang Bay

The Dive Shop is heavily involved in protecting the prime diving conditions in Nha Trang and works closely together with the Hon Mun Marine Protected Area. Introduced in 2001, Nha Trang Bay was the first Marine Protected Area (Marine Park) to be established on the coastline of Vietnam.

Begin the Experience

Learn to dive today! If you want to learn to Scuba Dive, the first step is to take a PADI (Professional Association of Diving Instructors) Open Water Diver course, the most widely recognized and respected diving certification in the world. Within just 3 short days, you can be enjoying the underwater world as a qualified scuba diver. But Scuba Diving is not only for adults, we offer a variety of fun and exciting programs for kids as well.

Free Discover Scuba Diving Trial

Not ready to dive straight into Nha Trang Bay? Join us for a free try dive at the big pool, every Wednesday between 15:00 and 17:00. Just turn up and the dive team will take you on your first - but surely not last - diving experience.

Discover Scuba Diving

The PADI Discover Scuba Diving program lets you experience the thrill of diving under the supervision of a PADI professional in pool conditions, such as those found at the Resort.

PADI Scuba Diver

The PADI Scuba Diver course is a pre-entry level certification that is perfect for people who only plan to dive a couple of times per year. The PADI Scuba Diver rating allows you to become certified quickly and easily by minimizing time constraints. With the PADI Scuba Diver certification you can dive under the direct supervision of a PADI Professional to a maximum depth of 12 meters.

PADI Open Water Diver

As a certified PADI Open Water Diver, the most widely sought after, recognized and respected rating in the world; you have the freedom to dive with a buddy independent of a professional down to a depth of 18 metres.

PADI Advanced Open Water Diver

The Adventures in Diving program offers both the Adventure Diver and the Advanced Open Water Diver certifications. If you complete any three adventure dives, you can earn your PADI Adventure Diver certification. If you complete your Deep Adventure Dive, Navigation Adventure Dive and three additional Adventure Dives, you can earn your Advanced Open Water Diver certification.

DIVING ADVENTURES FOR CHILDREN

Bubble maker

Kids, bring your parents diving! For young adventurers like you, the Bubble maker program is an introduction to the thrill of breathing underwater. If you are 8-10 years of age, now is your chance to take the plunge with a PADI professional and go diving. Start out on the right fin and jump into the PADI Bubble maker today!
